Summary: When Yoshette and Peach get kidnapped in the past, who will help Ken save them? Mario of course!

Ken's Time Machine

Ken's Time Machine
>
Narrator: In 1997, Ken has told Mario that he is going back 6 years in his time machine.
>
Mario: Ken, can I come with you?
>
Ken: Nope. Yoshette, would you like to come?
>
Yoshette: Sure.
>
Mario: *muttering* Oh sure. Yoshette gets to go with him, but I don't.
>
Ken: See ya later.
>
he and Yoshette disappear
>
Narrator: In 1991, Mario and Luigi are in the castle when a kid walks in.
>Mario and Luigi: *in unison* How did you get here?
>Kid: My name is Kenneth. I was playing in my neighborhood when I went down a sewer,
and landed here.
>
Luigi: Well Mario, you said we needed a young hero. Well we have one. And we also have a
>outfit for him to wear in the closet.
>Mario: But Luigi. We'll have to train him so he can be a hero.

>Ken's Distant Voice: Save that training. I came from the future and I can train him to
become a hero with my friend, Yoshette.

>
Mario and Luigi: *in unison* What is your name?
>
Ken *walking into view*: My name is Ken. I'm that kid, 6 years later.
>
Kenneth: Me in the future. I'm going to be a tall teenage kind-of-guy.
>
Yoshette: That's right!
>
Kenneth: Wow! A large dinosaur!
>
Mario: Huh? Who's she?

>
Ken: *thinking* That's Mario all right. Very, very dense.

>
Luigi: Is something wrong?
>
Ken: No, and that's my friend, Yoshette. You'll meet her in 2 years when she marries Yoshi.
>
Luigi: How did you find out about Yoshi?
>
Ken: If you were paying attention, Luigi, we're from the future, and we know him.
>
Kenneth: What is it like in the future?
>
Ken: Horrible. We keep battling Bowser and we always have to rescue our friends.
>
Toad: Bowser? I forgot. He kidnapped your dinosaur friend.

>
Ken: What?! He kidnapped her. He's toast!
>
*at Bowser's Castle, Bowser asks Yoshette who she is and where she came from, when she
>spots Peach locked in a cage on the balcony.
>Peach: Who are you?
>Yoshette: My name is Yoshette. I came from the future.

>Bowser: *thinking* I've heard that name somewhere. Yes, I remember! That's the King of
the Yoshies' daughter. So, she came to throw me out of my own castle. Let her try to.
>
Note: There is NO King of the Yoshies. Yoshette's father died, and so did her original mother.
>I'll try and write a summary of what happened to them. It basically follows the plot of Sailor
Moon later on.
>
at the Mushroom castle, Ken ran around in a panic
>
Ken: What am I going to do? My friends aren't going to let me go on any adventures with
>them anymore.
>Kenneth: We'll help you, Ken. Right, Mario?
>Mario: Uh? Hmm? Fine. We'll help you rescue her, with Kenneth's help.
>Kenneth: Really? I get to help you guys on an adventure?

>Ken: Sure. Let the kid tag along with you guys. He could be a big help to you. He could rescue
Peach or Yoshette from Bowser. Oh? Let's go rescue Yoshette and Peach.
>
*at Bowser's Castle, Bowser is about to get rid of Yoshette so Ken can't rescue her.
>
Ken's Angry Voice: Keep your hands off of her!
>
Bowser: Who are you, you stupid kid?
>
Ken looked at Bowser with fire in his eyes
>
Ken: DON'T YOU CALL ME A KID! I'm 17 years old and we can send you into the quicksand
>patches at the end of the land! Come on guys.
>*Ken picks up Bowser*
>Ken: GIMME THE KEYS RIGHT NOW!
>Bowser: Fine! Take them.
>*Bowser throws the keys to the ground*
>Ken: Just for being mean like that.... *throws Bowser out of the castle, where he lands
in quicksand.
>
Bowser: Why me?
>
back at Mushroom Castle, Ken and Yoshette are saying their good-byes
>
Ken: Now, listen Kenneth. When you're ready, change your name to Ken. My friends Mario
>and Luigi will take care of you now. Yoshette and I have to go home to our time.

>Kenneth: But Ken.
>Ken: I mean it. I can't stay here. I have to help my friends in the future.
>*he and Yoshette jump in the time machine, wave good-bye, and head for 1997*
>Kenneth: Bye Ken. I'll never forget you and your friend, Yoshette.
>*in 1997, Ken and Yoshette end up in the castle where Mario and Luigi are waiting for them.
>Mario: How did it go?
>Ken: Fine. I showed Kenneth to be a hero. I need to rest. We need a break. I haven't grown up
yet.
>
he and Yoshette head for different bedrooms
>
Mario: Good night, Kenneth. *snickers*
>
Narrator: And with Ken's younger self as a hero, Mario knows that he made a good choice
>6 years ago.
>The End <p><p>

End
file.
